

DIAPER CHANGING TABLE

ACCESSORIES BATHROOM

REF: **MB-100**
ROUGH BEIGE Finish

GENERAL DESCRIPTION

- Diaper changing table, made of high density polyethylene HDPE. Model suitable for high traffic installations with high strength and durability.
- Wall mounting, horizontal position.
- Designed for use in public spaces such as shopping malls, airports, public buildings, nurseries, etc.
- Maintenance: Clean at least once a week using specific products for plastic surfaces, preferably aqueous soapy solutions.
- Operation: The user must lower the changer to the horizontal position and secure it in this position to place the baby. The use of the seat belt is recommended as a precaution.
